regarding the hurdles being created by the members of the Executive Committee in removing the corruption in MCI.

UN AIDS report on HIV

2981. MISS MABEL REBELLO: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government are aware of the recent UN AIDS report on HIV which have expressed that AIDS is growing at alarming rate in the country;

(b) the number of HIV/AIDS patients detected during the last three years, State-wise; and

(c) the specific action taken regarding containing AIDS and to make India AIDS free country?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) Government are aware of the recent UN AIDS report "AIDS epidemic update—December, 2001" wherein it has been expressed that "India's epidemic is also strikingly diverse, both among and within States".

(b) A Statement i[c] annexed. *(See* below).

(c) In order to prevent and control of HIV/AIDS, a comprehensive programme is currently under implementation throughout the country as a 100 percent Centrally sponsored scheme. The main components of the programme consists of:—

- Reducing the spread of HIV in groups at high risk by identification of target population and providing peer counselling, condom promotion and treatment of sexually transmitted infections.
- Preventive intervention for the general population by Information, Education and Communication (IEC) and awareness campaign, provision of voluntary testing and counselling, safe blood transfusion services and prevention of occupational exposure.

- Providing financial assistance for opportunistic infections, home and community based care.
- Strengthening effectiveness and technical, managerial, financial sustainability of the intervention programmes at national, State and community levels.
- Promoting collaboration amongst public, private and voluntary sectors.

Statement

Reported AIDS cases in India (State-wise) during last three years (1999—2001)
